Description			
Chris,			
We need to add the reserved words in Vicidial in the call menu ID checking in the "add call menu wizard". The reserved words are:			
vicidial			
vicidial-auto			
general			
globals			
default			
trunkinbound			
loopback-no-log			
monitor_exit			
monitor

Hi Sir Chris,

Thanks for the update. Verified that Vicidial reserved words can't be added in the Call Menu. Tested on Firefox and Google browsers.
